### Conditions of Eligibility

- The Distinguished Alumni Awards shall be open each year to any alumnus or alumna who graduated from the Unit 4 and Unit 116 High Schools no less than ten (10) years prior to that nomination year. Awards will be given for the achievement in various fields of service which may include athletics, business, education, entertainment, law, medicine, the military, philanthropy, politics, public service, religion, scholarship, science and the visual and performing arts.

- Nominations may begin on the day following the most recent recognition event and continued until the announced deadline for the close of new nominations. Nominations received after the announced deadline will be considered candidates for the next recognition event.
- All nomination information will be considered confidential by the Selection Committee.

### Selection Procedure

- A Selection Committee shall receive and review all nominations and select award designees. The committee may request additional supportive documentation from a nominator. Additional letters of recommendation are not required but recommended.
- No more than two (2) Distinguished Alums from each district may be presented in any single year.
- The Selection Committee reserves the right to reject any or all nominations.
