APPLICATION PAGE TWO

CUSF Environmental Education Grant Application

Application Guidelines

Give us this Information on Separate Piece of Paper...

...Your summary of the project and your goals for teaching students about the environment with a focus on the creative Reuse of materials.

...How you are going to spend the money – give us a complete and careful budget.

...Your realistic timeline for implementation and why its grade-appropriate.

...How your project is adaptable to other classrooms.

...How your project will demonstrate a balance between new and re-used materials.

...How each of your kids will be involved and how you are going to implement the project you are proposing.

RULES

The application must be for funding and implementation in the 2010-2011 school year.

Grant money is available to recipients, through your district office, as of September 1, 2010.

Unspent funds by December 15, 2010 will be returned to CUSF for re-distribution.

You must have something to display from your project at the CUSF The I.D.E.A. Store on by Dec. 15, 2011

A FINAL REPORT will be due by January 14, 2011. We provide the form to you.
