

# WHO'S MAKING A SPLASH IN OUR SCHOOLS THIS MONTH?

## FEBRUARY FEATURED SPLASH GRANT TEACHERS

Jill Quisenberry and Nancy Fehr teach first grade at Wiley Elementary School in Urbana School District #116.

The CUSF SPLASH GRANT PROGRAM is funded by the community through CUSF, your community supported education foundation enhancing public education for Illinois Unit 4 and Unit 116 Schools.

Jill Quisenberry and Nancy Fehr teamed up and combined their Splash Grant money to purchase new scooters for Physical Education classes. The scooters have been a longtime favorite P.E. activity at their school but over the years the old scooters have fallen into disrepair and were no longer being used. The new scooters have interchangeable accessories that will expand the options for use during P.E., are adaptable for use by children with special needs and will be large enough for the older students. The two teachers are planning gross motor activities involving the scooters that they hope will instill a life-long love of activity and physical fitness.
