CUSF Splash Grant Program

Our **SPLASH GRANT PROGRAM** is a 3-year program resulting from a collaboration of community members and the Foundation which infuses fast cash into Champaign and Urbana public school classrooms through micro-grants. Across the profession, educators spend an average of \$500 per year out-of-pocket on simple needs for their classrooms. **SPLASH GRANT** awards range from \$25 - \$500.00 per grant and applications are available to complete through a simple on-line process. As of the first two years of the program Splash Grants has funded 618 projects, 471 teachers and served thousands of students with over \$278,000.00 in support. **Our support goal for year 3 of the SPLASH GRANT PROGRAM is \$200,000.00; we need your help.** As our community and school districts clarify a larger vision of excellence for the Unit 4 and Unit 116 schools, **SPLASH GRANTS** will attract the attention we need to begin providing for change that will make a difference.
