

2019 Vincent O. Green Grant Recipients

Business & Personal Finance Laboratory submitted by Brian McAndrew and Shanna Doggett from Urbana High School. UHS is in the final stages of completing their Personal Finance Lab. Funds will be used to purchase a LED stock market ticker panel for the lab where Urbana students study business finance, entrepreneurship, sports entertainment, marketing and accounting.

Building financial literacy through Play submitted by Erica Cooper-Peyton and Jeanette Delgado, kindergarten teachers at Dr. Williams Elementary School. The grant will purchase materials to help students develop financial literacy skills in a grocery and restaurant setting.
